**Health Care Billing of St. Charles Partners with ZirMed® to Provide  
Healthcare Billing, Coding and Financial Services to Ambulatory Surgery Centers**

**O’Fallon, MO – March 19, 2012.** [Health Care Billing of St. Charles](#), a physician-owned revenue management, billing, coding and [consulting services](#) company announced today that it has selected [ZirMed®](#), a nationally-recognized provider of [revenue cycle management solutions](#) for multi-specialty ambulatory surgery centers, as a preferred business partner. The advantage of combining expert consulting services of Health Care Billing of St. Charles along with the industry’s fastest revenue cycle solution from ZirMed will reduce denials, increase reimbursements, and reduce account receivable days for providers.

Health Care Billing of St. Charles is a full-service company providing revenue management, billing, coding, and consulting services with over 35 years of healthcare billing experience. HCB’s consultants have an average tenure over 10 years in healthcare as consultants and administrators and set themselves apart by personalized service and a very thorough knowledge of the industry and regulations.

“ZirMed was selected as a preferred revenue cycle management partner because their [comprehensive technology solutions](#) fit our clients’ needs in providing eligibility verification, claims processing and auto-posting of payments received from commercial and non-commercial payers including Medicare. Coupled with our consulting services, personalized care, and leading technology our clients have seen dramatic improvement to their revenue cycle.” stated Suzann Crowder, Chief Executive Office of Health Care Billing of St. Charles.

“Health Care Billing of St. Charles has done such a tremendous job of providing [consultative services](#) to clients in the Midwest that their assistance is now demanded coast to coast. It’s the attention to detail and high level of customer service that excites us to be partners with Health Care Billing of St. Charles.” said Kent Rowe, Vice President of Sales at ZirMed.

Health Care Billing of St. Charles and ZirMed already have several customers using both consulting and healthcare electronic data interchange solutions in tandem. Formalizing this partnership further solidifies the commitment to provide technology and support to healthcare clients across the nation.
